

Quarterly E-News Letter

Volume - 46

July - September - 2021

CENTRE FOR COMMUNITY DEVELOPMENT (CCD)

We are happy to publish the quarterly e-news letter (46th edition) highlighting the major livelihood initiatives supported by different donor partners during the period July - September - 2021.

During the reporting period our main emphasis was on Promotion of Sustainable agriculture practices by the tribal community, land development works to convert the un-cultivable land to cultivable, Women participation, support to Persons with Disabilities to strengthen their self-help projects for income generation, strengthening the Disabled Peoples Organization - SAMARTH and Good Governance practices.

We are looking forward for your valuable suggestions and comments for the betterment of our e-news letter.
